

COVID Testing Available in Loysville

Have you been exposed to COVID 19?

Do you have these symptoms: fever/chills, dry cough, new loss of taste/smell, shortness of breath, fatigue, muscle or body aches, congestion or runny nose, sore throat, nausea or vomiting, diarrhea, headache?

You could be eligible for COVID testing.

Call 717-960-4394 to make an appointment.

What to bring with you to your testing appointment:

- Your pre-filled testing registration forms (*find forms at SadlerHealth.org/Covid19*)
- Photo ID
- Insurance card (*if you have insurance*)

Testing is free to patients.

Mondays and Wednesdays | 12:00 pm - 3:30 pm

By Appointment
