

2021 ARPA Non-Governmental Business Interruption Grant Application

The American Rescue Plan Act (“ARPA”) established a Coronavirus Local Fiscal Recovery Fund (“Fiscal Recovery Fund”) that may be used for expenditures that respond to the COVID-19 public health emergency or its negative economic impacts, “including assistance to households, small businesses, and nonprofits, or aid to impacted industries such as tourism, travel, and hospitality.”

The U.S. Treasury’s “Coronavirus State and Local Fiscal Recovery Funds Frequently Asked Questions” (last updated July 19, 2021) provides that under ARPA, Fiscal Recovery Fund assistance to small business and non-profits includes, but is not limited to:

- Loans or grants to mitigate financial hardship such as declines in revenues or impacts of periods of business closure, for example by supporting payroll and benefits costs, costs to retain employees, mortgage, rent, or utilities costs, and other operating costs;
- Loans, grants, or in-kind assistance to implement COVID-19 prevention or mitigation tactics, such as physical plant changes to enable social distancing, enhanced cleaning efforts, barriers or partitions, or COVID-19 vaccination, testing, or contact tracing programs; and
- Technical assistance, counseling, or other services to assist with business planning needs.
