Grant Pre-Application

We ask that all entities seeking funding and project prioritization for 2023-2024 complete the form below and send to grants@perryco.org with your entity name and title of project in the "subject" line.

To move forward on the development and submission of grants for your organization, you will need the following information and share it with us (we can help):

Legal Entity Name: _____

Address:_____

EIN number: _____ _____

 SAM UEI number: _____ ___ _____

SAM Expiration date: _____

It is critical to know that if there is any deviation in the information between your IRS info and your DUNS and SAM -- especially your legal address.

- If this information is not correct and identical on all accounts, we may not be able to submit your application.
- This includes abbreviations or capitalization of your legal address, and legal company / organization name.
- It is imperative that these three matches, starting with the IRS, then the DUNS and then the SAM account.

The simplest way to check this is to pull up your charitable listing using your EIN and compare it to DUNS and then SAM info.
