REBOOT Combat Recovery is a 12-week, faith-based, peer-led course that helps veterans, active-duty military and their families heal from service-related trauma.

At REBOOT courses across the country, military families are reconciling, divorce rates are dropping, medication abuse is decreasing, and suicide numbers are falling.

Now it's your turn. It may seem impossible, but in only 12 weeks, you can push back against the darkness and begin walking down a proven path of healing. It's time for a breakthrough in your war against trauma.

More than 10,000 people have graduated from REBOOT courses and overcome trauma. Are you next?

REBOOT courses meet once a week for 12 weeks.

REBOOT courses are led by people who have been there and get it.

REBOOT is for the whole family, not just the service member.

REBOOT is a course, not a support group. No rank, no titles, total privacy.
